

Do you want to be a VoIP Provider ?

Do you want to Sell VoIP Accounts?

Do you want to have Softphone with your Brand Name?

Do you want people use your voip service easy and flexible?

Do you want a Flash Softphone for any OS?

Do you want Video Calls?

Do you want a Softphone for Iphone/Android/Black Berry/Mobile device?

Do you want to use the SIP protocol and to make your own business?

Do you want to have sms service for your clients?

Do you want to have sms service with a softphone for your clients?

**You can have a complete VoIP Solution and help you earn money by selling VoIP Credits to your client/users.**

With Flash Based Softphone, Iphone Softphone,Android Softphone, Black Berry and Windows Softphone everybody can be connected with your own sip server. Users will be able to buy credits from your web site when the sign in to their account area. You will be able to manage the rates and tariffs from you administator panel.

You are able to put unlimited flash based softphone to any web site or to a social network ( like Facebook as Facebook apps). Everybody will be able to login to his account and to make Audio/Video/Chat and smses.

The most important is that you will have your own Sip Server with Asterisk IP BPX together with a billing system.

Just put your own flash based softphone to any web site and begin to earn money.

If you want a powerfull voip business you are in the right place.

**Let us know your voip business plan and we will advise you to the best way!**
